

OSH INFORMATION MEMORANDUM 78-X-29  
Re: OSHA Program Directive 500-71

TO: All OSH Directors, Supervisors and Field Personnel

FROM: William M. Lybrand, Director of OSH

SUBJECT: Applicability of Article VI 1910. Safety and Health Standards to Shipbuilding

DATE: June 19, 1978

Attached is Federal Program Directive #200-71 pertaining to the application of our Article VI safety and health standards to vessel manufacturing.

The policy set forth in this federal program directive for using the 1910 safety and health standards shall be followed when such vessel manufacturing is encountered.

As related to this State's OSH operations, the reference in 4.c. of the federal program directive shall be changed either to the Assistant Director of Compliance or to the Assistant Director of Standards as to the office to be contacted.
